

Clothing

Because pre-school curriculum is based upon encouraging the child's creativeness, and this will involve "messy" activities at times, we ask that you send your child in comfortable play clothes. On P.E. days your child **must** have on tennis shoes.

Show and Tell

There isn't a more memorable activity in pre-school than Show and Tell Day, so we want to get off on the right foot. Your child will have an assigned Show and Tell day, it will be posted on the monthly calendar

It is our policy that Show and Tell items be returned to the sack after the activity and not played with during school. This is to insure that the item be returned in good condition. We will appreciate you explaining this to your child when discussing the selection for Show and Tell.

Blessed Sacrament Pre-School Handbook 2010 – 2011

Tel: 402-476-6202

Children **MUST** be 4 years of age
by October 15, 2010

Philosophy

Parents are the primary educators of their children. The goal of Blessed Sacrament School is to establish a catholic environment for learning which supports the parents in the development of the whole child. We firmly believe that a child's potential can be determined by the foundation laid during the pre-school years. It is during this time that the child's character is developed by activities, experiences, personal interaction, and work which prepare him/her for effective living and learning. We pledge excellence in a Catholic environment.

Weather

We will follow regular grade school policy concerning weather announcements. Weather announcements reach all of us through the media. We advise you to keep tuned to the media for the closing of school or early dismissal due to bad weather. It is most important that you have arrangements made, however, if school is closed.

Attendance

Unless a child is ill, we expect regular attendance. To report absences, please phone the office at 476-6202 before 8:30 am. We ask that pre-schoolers be dropped off at the back door, and not before 8:00 am & 12:15 pm. **It is essential that they be picked up promptly at 11:00 am and 3:00 pm.**

Birthdays

If you would like your child to celebrate his/her birthday at pre-school, there are several options. We would like to establish a tradition of having the birthday child bring a book to pre-school which he/she would present to the class. The teacher would read the book, showing the children that the child's name and birthday are written in the front of the book and that it is his/her gift to the room. This encourages the value of books and also will help us build a pre-school library. Treats certainly may be brought. We would suggest things as: cupcakes, cookies, crackers, fruits, etc. If you wish to bring snacks or treats for other special occasions, Christmas, Valentine's Day and Easter, please let us know.

Illness

If a child is sick (sore throat, bad cold, temperature, severs coughing, diarrhea, etc.), keep them home for his/her protection as well as that of the other children. We will call you immediately if he/she becomes ill at school so that he/she can be picked up and taken home. We will not be able to provide the individual attention necessary for a sick child. If medication must be given to the child during pre-school, written authorization and instructions from the parent must accompany the medication. Medication must be in original packaging.

Cost

The registration fee for Pre-School is \$30.00 and must accompany the registration form. The tuition is \$100.00 per month per child. Tuition will be billed every month (September—May) and is due on the 20th.

Field Trips

We will have limited field trips. You will be informed ahead of time and have the option of your child not participating.

Supply List

2 boxes of Kleenex and 2 containers of Clorox Wipes.

Monthly Calendar

A monthly calendar will be sent home. Please keep it posted so you know the classroom activities. Show and Tell days will be included.
